

New Next Door to Shiltgen Park?

Native shrubs, trees, sedges and plants will look best next to your new natural back yard. Come investigate what is native to the Lake Elmo biome and learn how to order shrubs and trees from Washington County for a fraction of what you will pay a nursery.

What: information session on native plants

Where: Sally Manzara Interpretive Nature Center at Sunfish Lake Park

When: Saturday, October 10, 12:30-2:00 pm

Cost: free!
